Moreover, Has/Have/Had/Having take third form ( $V_3$ ) of verb after them.

7. Ans.(2)

Sol. Replace 'hope' with 'fear'. Because 'hope' is used for pleasurable things. While fear is used for upsetting or intimidating things.

Sol. Use 'have been' before left.

As the sentence demands passive form.

## SET – 14.

**Question 1 Explanation: (1)**

An easy question with easy options. The correct answer is Scared

**Question 2 Explanation: (5)**

Measure, Chance and Principle are totally irrelevant, hence eliminated. The confusion can arise between Challenge and Risk..The previous sentence talks about us being scared to open conflict and trying to avoid it. Hence, keeping that sense in mind, the correct answer comes out to be Risk.

**Question 3 Explanation: (3)**

If someone insults you, belittle you, uses derogatory comments that would harm your relationship, the relationship would be strained. Hence, the correct option for this question is option (3) damaged.

**Question 4 Explanation: (2)**

The neighbouring line give us a hint ‘..they may go out of control and become violent, or they may do this..’. if someone goes out of control, that means he/she was unable to control, regulate, sublimates or minimize his/her anger. Hence, this line indicates that the anger was expressed. So the answer is (2) express.

**Question 5 Explanation: (4)**

‘So why take a risk?’ This line makes us realize the seriousness of the situation. Hence, all options get eliminated leaving aside one critical word i.e. Real. Option (4) is correct.

**Question 6 Explanation: (4)**

We have a common saying which goes like this, “prevention is better than cure”. The author also means the same thing. Hence option (4) is correct.

**Question 7 Explanation: (2)**

By going with the overall idea of the sentence the problem would arise between Discomfiture and Disagreement. The word Discomfiture has a broader scope than the other hence the former is the right choice.

**Question 8 Explanation: (2)**

Expressed, Seen and Perverted are totally out of question. Reading the sentence carefully would make us realize that it is Ignored and not Induced. This is so because if someone induces a fight, he/she does not want to go away just like that. Also, putting induced is disturbing the meaning of the sentence.

**Question 9 Explanation: (1)**

A simple grammar question, if you have chosen the above options right, there should be no problem choosing this.

**Question 10 Explanation: (2)**

A fight cannot be more credible; more serious; more fraudulent or more urgent. In short, all the options are irrelevant except serious. So the answer is option (2) Serious.
